CAMILLUS has the edge!

CAMILLUS POCKET KNIVES

Why CAMILLUS HAS THE EDGE

- BLADES - of custom-made high carbon cutlery steel providing extra sharpness, toughness and durability - edges hand honed under oil to provide keenest cutting edge possible.
- CONSTRUCTION - Precision made to exacting tolerances. Solid handles of the most durable and attractive stag and plastic.
- APPEARANCE - high polish, matched handles, most popular patterns supply customer attraction.
- PACKAGING - Each knife wrapped in cellophane for more eye appeal, less handling, more protection. New smart boxes numbered on the bottom section to avoid mix-ups.
- ADVERTISING AND SALES PROMOTION - the line is supported by national consumer advertising. Display cases, knife stands, counter cards and streamers tie into the program.
- CAMILLUS CUTLERY COMPANY is one of the oldest and largest in the country - over 80 years of pocket knife experience - the country's most modern pocket knife factory.
